WELCOME TO THE
2023-2024 SEASON!

We are excited to announce the 2023-2024 Performing Arts Season at Stephens Auditorium. After learning about kanteles and rocking with bagpipes from last season, we are pleased to introduce these new artists/performances to you and welcome back old friends.

With your ticket package, you will lock in the best seats and prices as well as enjoy valuable subscriber benefits. Our Performing Arts Series offers something for everyone, including Broadway, ballet, orchestra, family, comedy, jazz, and contemporary performances.

In this digital brochure, you will find the link to purchase your subscription package online. As in years past, all subscription orders will take place online. The Stephens Auditorium Ticket Office is available to answer questions by email at ticketoffice@iastate.edu, by phone at (515) 294-2479, or by stopping by in person. The ticket office hours are Monday-Friday, 11am-4pm.

And when you come to your first show, you will FINALLY notice new construction—the highly-anticipated restroom addition! We will be constructing new restrooms near the SW Tower Door at stage level, including the addition of eight individually-contained stalls, four of which will be wheelchair accessible. These restrooms are already completely funded, and construction is scheduled to be finished by December 2023.

In May 2024, we hope to begin our second phase by renovating the existing restrooms on the ground floor, towers, and first balcony. We are currently raising money to complete the second phase. Please consider supporting Stephens Auditorium by purchasing a season ticket package, making a gift, and—perhaps most importantly—bringing a friend to help us build our audience so we can continue to bring world class entertainment to the Ames community.

"Art is our one true global language. It knows no nation, it favors no race, and it acknowledges no class. It speaks to our need to reveal, heal, and transform. It transcends our ordinary lives and lets us imagine what is possible." —Richard Kamler

It is a twelve-part epic poem which Hughes scored with musical cues drawn from blues and Dixieland, gospel songs, boogie woogie, bebop and progressive jazz, Latin “cha cha” and Afro-Cuban mambo music, German lieder, Jewish liturgy, West Indian calypso and African drumming—a creative masterwork left unperformed at his death.

The Langston Hughes Project is a joyous Multimedia celebration of this masterwork—in music, spoken word and visuals—performed by the impressively versatile Dr. Ron McCurdy and his talented group of musicians.
